

VIRTUAL VISIT: Patient Guide

BEFORE YOU JOIN YOUR VISIT:

- Make sure you are in a private, quiet setting with reliable Wi-Fi or cellular service.
 - Silence cell phones/phones.
 - Do your best to avoid any distractions during time of visit ('Do Not Disturb' sign on door, no pets, etc.).
- Review the Devices and Connection Guide on our website.
- Don't forget to run a quick test on your device prior to your visit.
- Please note: Internet Explorer and Microsoft Edge do NOT support Virtual Appointments on any device.

HOW IT WORKS:

Core Physicians uses OTTO Health with Phreesia (online system) for virtual visits

- A few days prior to your scheduled appointment you will receive an email and/or text message asking you to confirm and preregister for your upcoming appointment. You will also have an opportunity to test your device and internet browser.
- 30 minutes before your virtual visit appointment you will receive an email and/or text message asking you to check-in and enter the virtual waiting room. Please refresh your browser if waiting longer than 10 minutes in the waiting room.
 - If you do not see an email, please check your junk/spam folder. If you still do not see an email, or have not received a text message, reach out to your provider's office.
